

**Olmedo Gaxiola & Abogados, S.C.**

Ms. [REDACTED],

You are the only person receiving this letter. This overture is against my better judgement as I feel there is little probability of success yet more expense, but I am writing you on my clients' behalf. If you do not respond affirmatively to this letter by 3:00pm September 19<sup>th</sup> I will need to proceed as previously required. I will then not contact you informally again.

My clients want to give you this opportunity to cooperate and minimize the impact on your life. The criminal investigations will increase in number, and thoroughness, and will not stop until justice is served. This will not go away.

The group with which you are involved contains individuals who have already served prison time, others who are currently indicted, and some that face extradition proceedings. The others are under investigation for quite serious crimes. The form of justice to which they subscribe is trial and conviction by media, personal opinion, and abuse of power. They appear to have no issue with committing a crime when it suites them. They use the actions of others to justify this. Whether the person they target is right or wrong, this method of persecution is very wrongful. You must separate from them completely to mitigate the effects on yourself.

Please divest yourself from this wrongfulness and this group. Please write to me affirmatively by the above deadline indicating you will cooperate fully. I can also help you with any criminal investigations within the United States.

Sincerely,

**Lic. Ricardo M. Olmedo Gaxiola**
